

Wright City will be hosting the Jamboree on Monday, August 23rd

5:00- WC vs BG

Win vs BG

WC VS Win

Give the first game full warm up time and then we will give Winfield full warm up time between game 1 and game 2. We will play 2 matches per game starting score at 4 and playing to 25 (Still win by 2)

We will not charge a gate fee.

We do not have restrictions on the number of fans.

We do have a mask mandate; teams are expected to wear masks anytime they are not in the game. Benches will be spread apart to provide social distancing - please ask coaching to leave them where they find them.

Fans in the stands are expected to socially distance themselves and wear masks. I know things have gotten really lax with masks and most places don't require them, the wright city school board vote to require them so please communicate to your parents.
