This camp is designed to give the future Warriors a chance to become familiar with Warrior Football. Emphasis will be based on techniques at different positions and the individual skills for each position, such as: blocking, tackling, passing, catching and ball handling skills. We will put these skills and techniques together so we can introduce the TEAM aspect of the game and run some plays. The camp will be taught by the Warrior High School football coaches and players. Each camper will receive a camp T-shirt. Each camper must be dressed in athletic attire to participate in activities. Cleats are a plus, but not necessary.

The Soup Bowl will be a great and fun time for our Little Warriors. We will divide the campers into teams. Varsity players will be coaching each team. Each team will get to play the other teams in a round robin style event. Entry for spectators to the Soup Bowl will be a can food item. All canned food will be donated to a local charity.
