Format: There will be regular weight classes but no team scores. We will record the exact weight of each wrestler and place them in pools in each weight class. Care will be taken to keep wrestlers from the same school being placed into the same pools. All participants from each weight class will then wrestle to determine a winner.

Winner determination:  
Best overall record  
Head to head record  
Total team points scored

Weigh-Ins: All Contestants are to weigh in at 7:00 am Saturday morning. A coach will need to be present before weigh-ins to pick up cards for weigh in from the tournament director. Each wrestler will then proceed into the wrestling room with their card in hand, weigh in, and give the card to the official at the scale. Those cards are used to set up the pools. It may take some time to set up pools so please be prompt. We will start wrestling by 9:00 am.

**The tournament is entered in Track Wrestling and is called the JV Spartan Invitational. Please send Ryan and myself a roster of your wrestlers and their weight by Wednesday, January 26<sup>th</sup>. You can have 1 Extra Wrestler per weight class-2 total wrestlers per weight class and please do not send ANY wrestler that is considered a varsity wrestler.**

Timetable: The first round will start as soon as the pools and first round bout cards are made up (approx 9:00 am). A pool will finish their 1<sup>st</sup> matches on a single mat and another pool will then start their round. Each round will start immediately after the completion of the previous round. Wrestlers will get their mandatory 45 minute rest. Five mats will be used. We will break around noon for lunch and start wrestling again in 30-45 minutes.
